

First day Parameter iterations for vol 5 with par 1

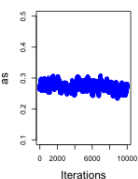

First day Parameter iterations for vol 5 with par 2

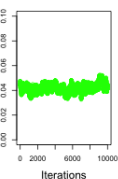

First day Parameter iterations for vol 5 with par 3

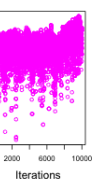

Alloc frac to stem at Day 1

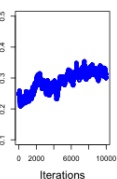

Foliage turnover at Day 1

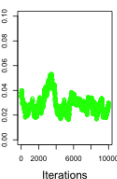

Log-likelihood

Alloc frac to stem at Day 1

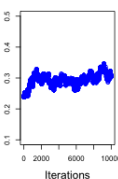

Foliage turnover at Day 1

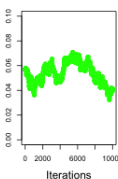

Log-likelihood

Alloc frac to stem at Day

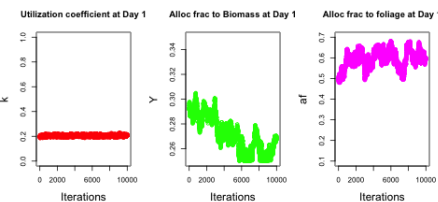

Foliage turnover at Day

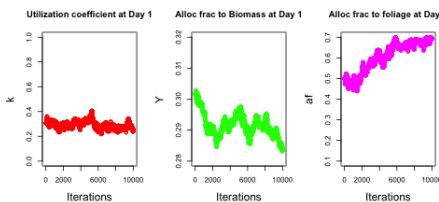

Log-likelihood

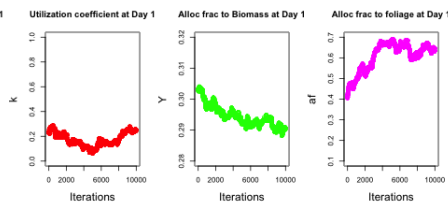

First day Parameter iterations for vol 10 with par 1

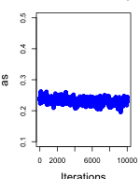

First day Parameter iterations for vol 10 with par 2

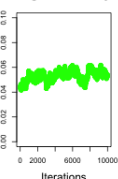

First day Parameter iterations for vol 10 with par 3

Alloc frac to stem at Day 1

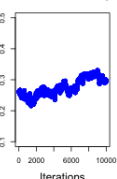

Foliage turnover at Day 1

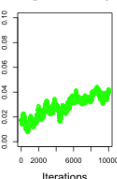

Log-likelihood

Alloc frac to stem at Day 1

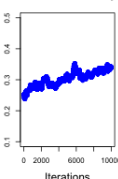

Foliage turnover at Day 1

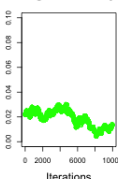

Log-likelihood

Alloc frac to stem at Day

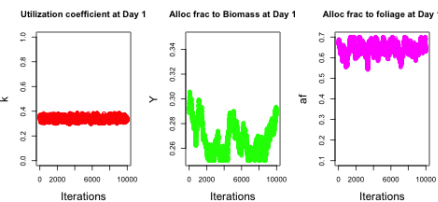

Foliage turnover at Day

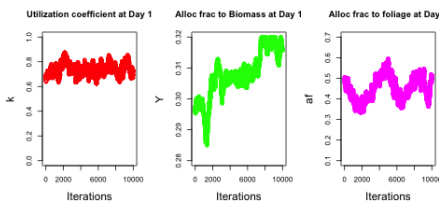

Log-likelihood

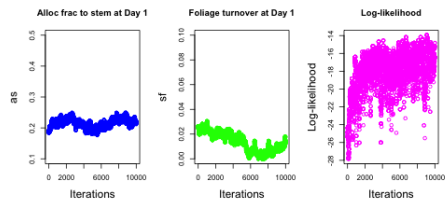

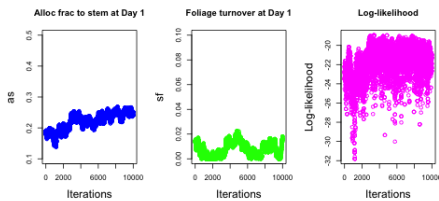

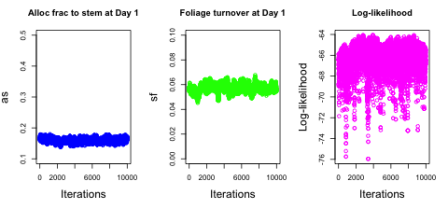

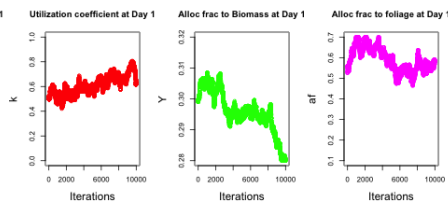

First day Parameter iterations for vol 15 with par 1

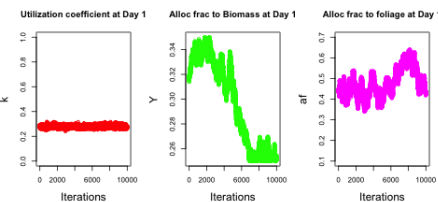

First day Parameter iterations for vol 15 with par 2

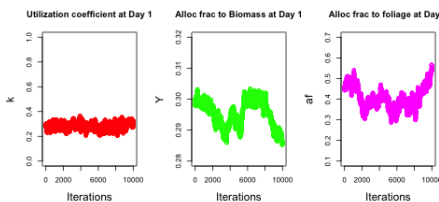

First day Parameter iterations for vol 15 with par 3

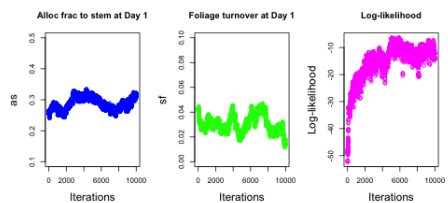

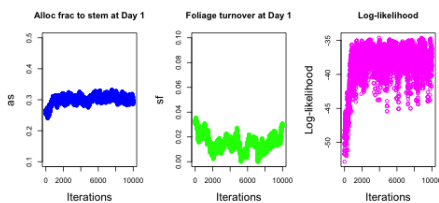

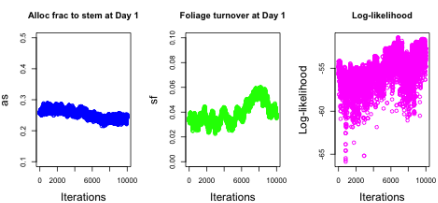

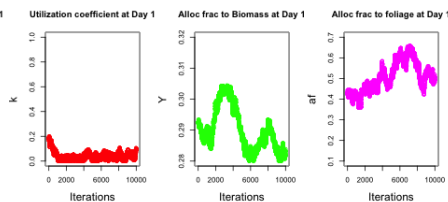

First day Parameter iterations for vol 20 with par 1

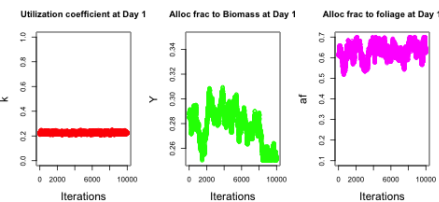

First day Parameter iterations for vol 20 with par 2

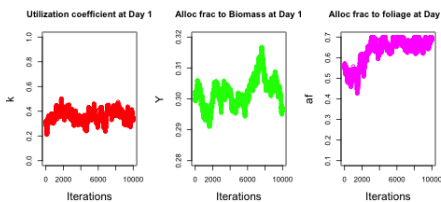

First day Parameter iterations for vol 20 with par 3

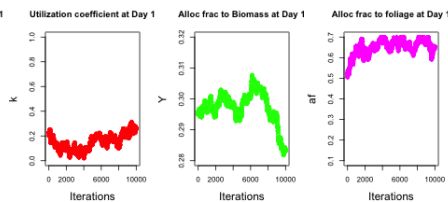

First day Parameter iterations for vol 25 with par 1

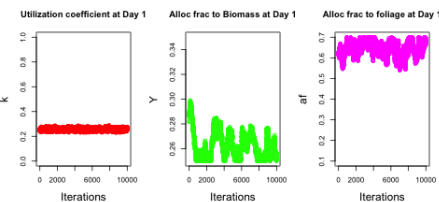

First day Parameter iterations for vol 25 with par 2

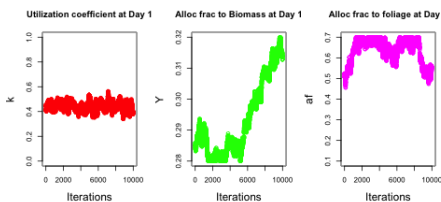

First day Parameter iterations for vol 25 with par 3

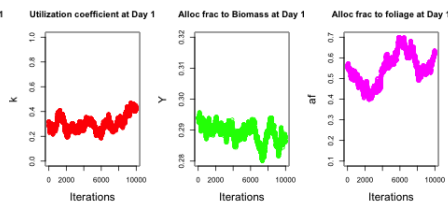

First day Parameter iterations for vol 35 with par 1

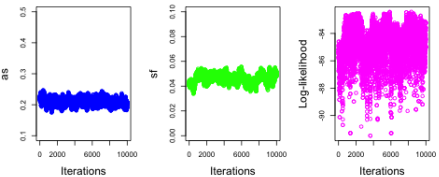

First day Parameter iterations for vol 35 with par 2

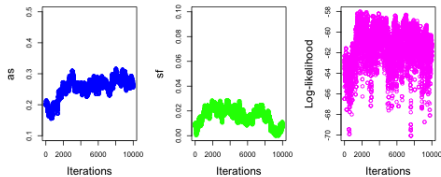

First day Parameter iterations for vol 35 with par 3

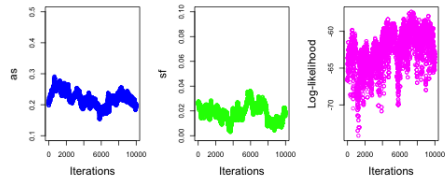

Foliage turnover at Day 1

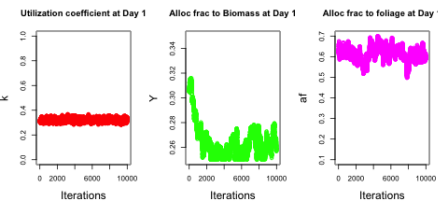

Foliage turnover at Day 1

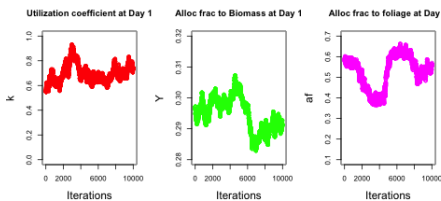

Foliar turnover at Day 1

First day Parameter Iterations for vol 1000 with par 1

First day Parameter Iterations for vol 1000 with par 2

First day Parameter Iterations for vol 1000 with par 3
