

Modelled coefficient, af for parameter 1 with storage

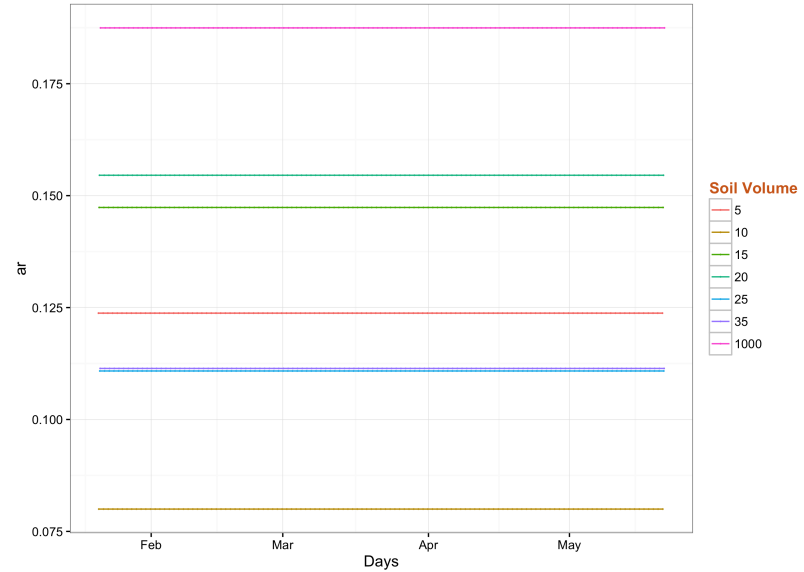

Modelled coefficient, af for parameter 1 without storage

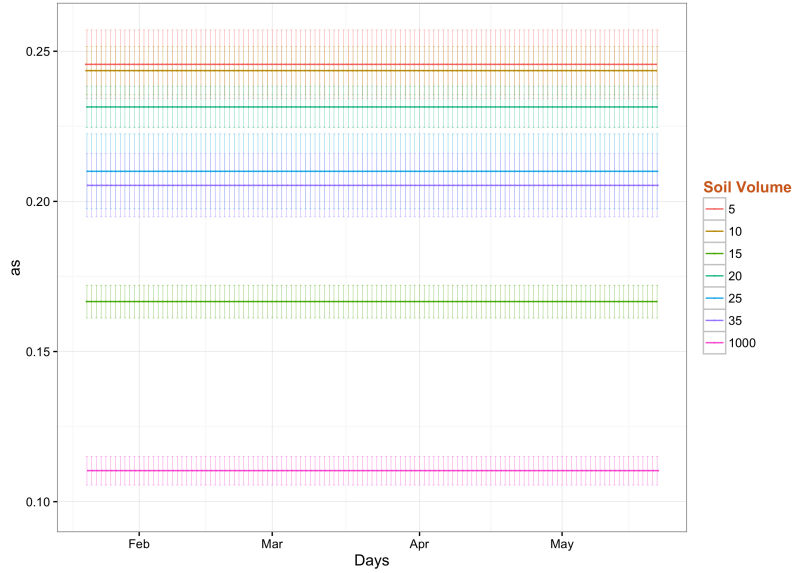

Modelled coefficient, ar for parameter 1 with storage

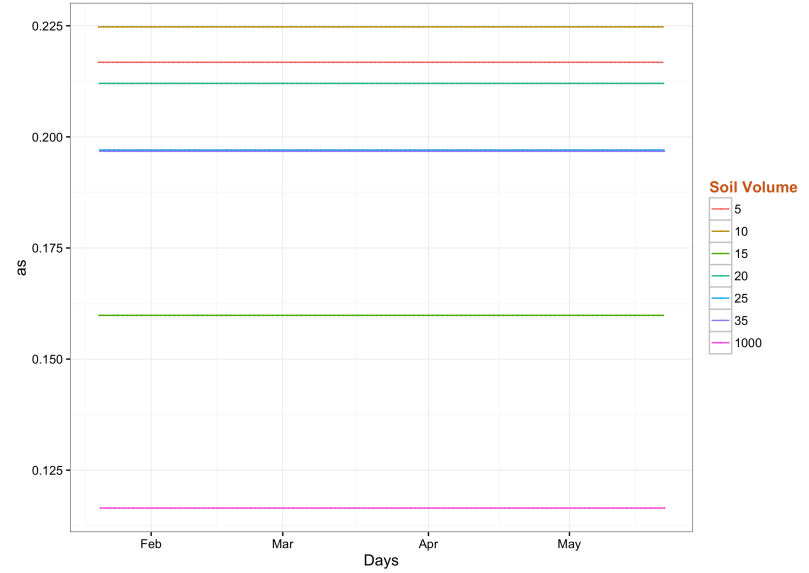

Modelled coefficient, ar for parameter 1 without storage

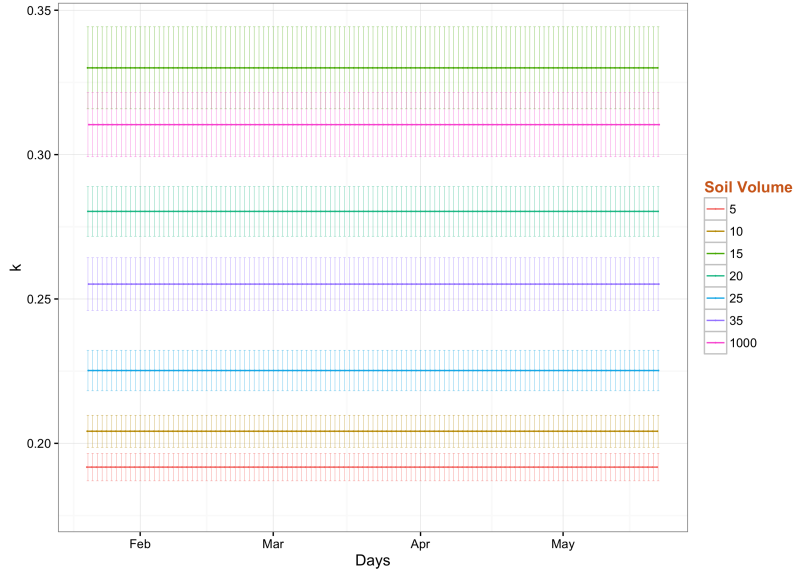

Modelled coefficient, as for parameter 1 with storage

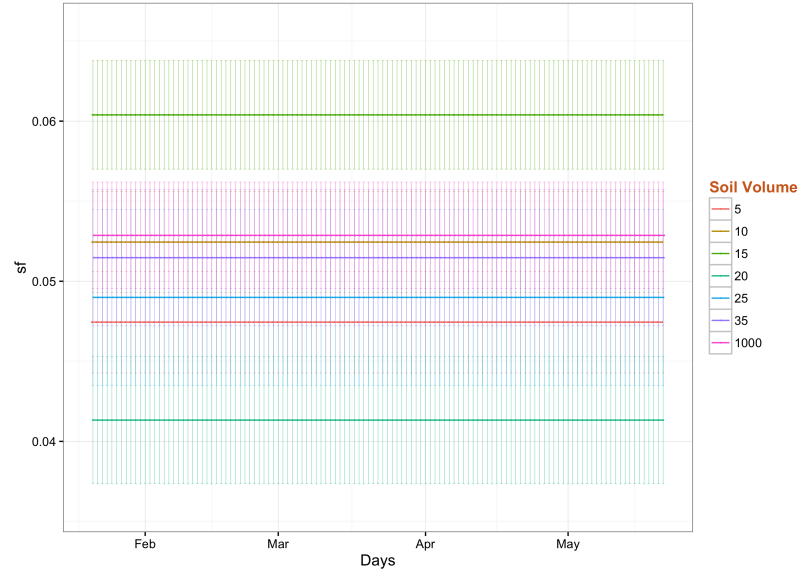

Modelled coefficient, as for parameter 1 without storage

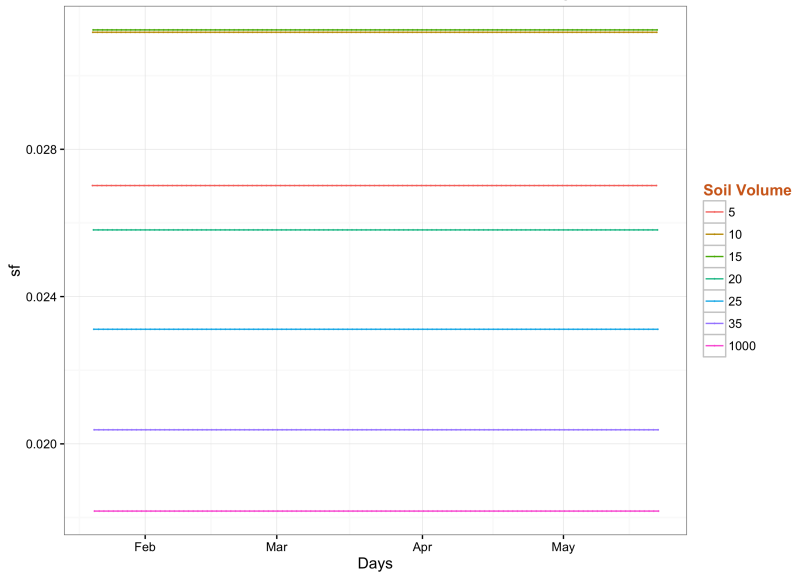

Modelled coefficient, k for parameter 1 with storage

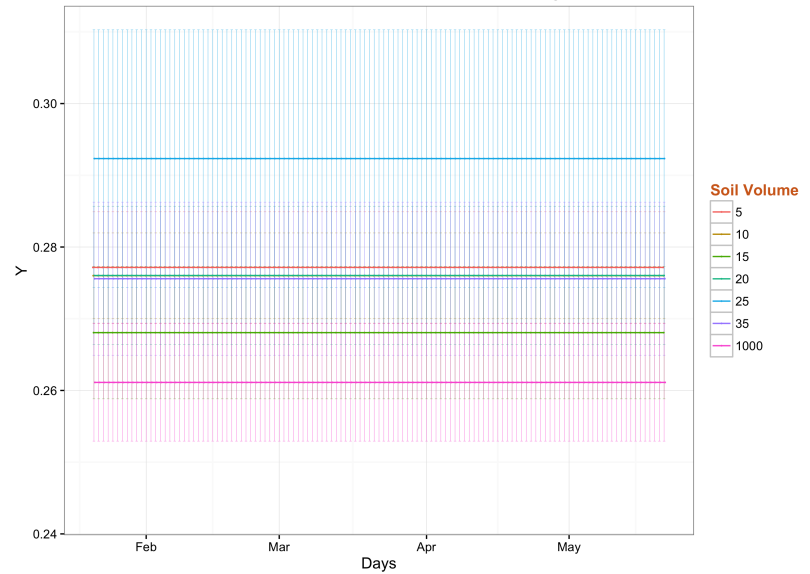

Modelled coefficient, sf for parameter 1 with storage

Modelled coefficient, sf for parameter 1 without storage

Modelled coefficient, Y for parameter 1 with storage

Modelled coefficient, Y for parameter 1 without storage
